

North Halifax Grammar School: GCSE Results 2024

It is great to see that after a secondary education that has seen significant disruption, results have risen this year with over 30 students attaining at least 7 grade 8s and 9s and 75% of all results at grades 6 to 9.

These results are a testament to the hard work of students and the support they have received from their teachers, other school staff and the wider community. Special mention should be made to the fifteen students with 9 Grade 8s and 9s or more. 50 students achieved at least 9 grade 7s and above.

A big thank you to you all for your efforts in supporting our young people to achieve their success.

Desmond Deehan
Headteacher
